A LONG-STANDING TRADITION OF EXCELLENCE

# Training solutions for Catering and Hospitality

The Catering and Hospitality Industry is one of the largest in the world. With the qualifications on offer through our Business Centre, your employees will shine as they become experienced in all areas of the trade.

Whether you are small café catering to the needs to commuters, a country pub in a bustling community, or a multi-award winning restaurant; we can provide your staff with the skills needed to ensure continual success.

Working with our team of trainers and assessors, who are all experienced professionals, many of whom have experience of running their own successful businesses, we can ensure that the training delivered to your staff is as individual as your business! We also have outstanding catering facilities at the College and offer the qualifications required of your industry. We offer a wide range of high quality training solutions and qualifications aimed at improving the performance of your business.
