

Pre-Access Certificate in Health Professions and Social Care

Qualification: Level 2 Pre-Access Certificate | 1 Year | Part-Time | 2.5 days per week

Entry requirements

A successful interview and a Maths and English assessment.

Following on from your assessment, individuals will be recommended for either GCSE or functional skills in Maths and English.

Please note that for future progression onto university in the Health Care route, learners will be required to have Maths and English at GCSE level, in particular for the Nursing pathway.

Who is the programme aimed at?

This course is designed for learners aged 19+ looking to progress onto the Access Diploma in Health Professions or Social Care, but who don't have GCSE Maths and English.

What will I learn?

You will study **five** subjects;

The core units are:

- English
- Maths
- Study skills

You will choose two optional units from the list below:

- Human physiology for health care
- Introduction to psychology
- Introduction to sociology

How often will I attend College?

You will attend two and a half days a week for 30 weeks.

(This should not affect your entitlement to claim benefits if relevant).

What qualifications will I gain?

English GCSE or Functional Skills, Maths GCSE or Functional Skills and a Pre-Access College Certificate to HE.

What could this lead on to?

On successful completion of your level 2 course, you will progress on to the Access to Higher Education Diploma in either Health Professions or Social Care.
